Sir:

This paper is in response to the Office Action dated June 3, 2009. No extension fee is due. However, the Applicant petitions for an appropriate extension of time if needed. Please charge any fees for such an extension of time and any other fees which may be due with respect to this paper to **Deposit Account No. 01-2340**.

The presently-requested claim amendments, beginning on page 2 of this paper, are made in response to the rejection under § 112. Although a rejection was made under § 112 in the first Office Action, the present rejection cites different claim language, and is a new rejection. Therefore, the Applicants should have the opportunity to correct the asserted indefiniteness, and entry is requested on this basis.

This listing of claims will replace all prior versions, and listings, of claims in the application.
